PUMP AIR 2

The BlueAnt Pump Air 2 True Wireless Microbuds are the world's smallest and lightest True Wireless Microbuds

- The Pump Air 2 delivers mega bass to drive your active lifestyle via high quality 6mm drivers.
- To ensure a perfect fit and an awesome listening experience, we've included 7 sizes of ear tips so you can get a tight seal no matter how large, or small your ears are.
- Connectivity is faster, range has been increased and power usage has been optimized by utilizing the latest Bluetooth 5.0 technology.
- There are also simple one touch controls, built-in microphones for stereo handsfree calling and Siri/Google Now integration.
- The Pump Air 2 provides around 4 hrs listening at 75% volume and a further 12hrs in the charging case. When you need to top up a full charge of the case and buds takes just one hour.
- The Pump Air 2 sports a soft touch finish and includes sweat proofing for intense workouts.
